

Foodie Guide to A Touch of Disney at *Disney California Adventure* Park Opening March 18

We're thrilled to share our Foodie Guide to *A Touch of Disney* at **Disney California Adventure** park! Our Disney chefs and beverage managers have been busy creating menus that include new items and several favorite classic dishes from around the resort for this new, limited-capacity ticketed experience that begins March 18, Thursdays through Mondays, from noon – 8 p.m.

This Foodie Guide lists all the bites – sweet and savory – and refreshing sips at the more than 25 locations – including six marketplaces themed for *A Touch of Disney*. In addition to all the great food and drink, Guests will have a chance to see Disney characters, shop for the latest Disney merchandise, and pose at fun photo locations.

We encourage Guests to take advantage of mobile order on the **Disneyland** mobile app for added convenience and promote contactless payment. We have noted the mobile order locations at *A Touch of Disney* in this Foodie Guide, and, yes, Guests can now even mobile order a churro from Cozy Cone Motel in Cars Land!

Beginning March 11, table reservations for Lamplight Lounge and Carthay Circle Lounge – Alfresco Dining will be made available for *A Touch of Disney*. Table reservations do not provide admission to *A Touch of Disney*. A *A Touch of Disney* ticket is required to dine at those locations on the same day as the table reservation.

To help maximize Guests' time – and minimize contact with others – during their visit to **Disney California Adventure** park, we are now offering mobile check-in and mobile wait-list at select locations, available on the **Disneyland** mobile app.

Mobile check-in – If Guests have a confirmed reservation at Lamplight Lounge or Carthay Circle Lounge – Alfresco Dining, they'll receive a push notification on the **Disneyland** mobile app when their check-in window arrives. They can scan their QR code near the restaurant's entrance; there's no need to visit the host stand. They will be seated once their entire party has arrived.

Mobile walk-up – While dining reservations are highly recommended, Guests can also add themselves to the mobile walk-up list (subject to availability) for Lamplight Lounge and Carthay Circle Lounge – Alfresco Dining using the **Disneyland** mobile app. If Guests don't find

walk-up list availability right away, they can check estimated wait times and look for reservations that may be available later in the day.

With the health and safety of everyone in mind, A Touch of Disney will operate with limited capacity and enhanced health and safety measures in place based on guidance from health authorities, such as the Centers for Disease Control and Prevention (CDC) and appropriate government agencies.

Now, check out all we have to offer at *A Touch of Disney*. Enjoy!
